NEWSLETTER 30

19th May 2023

Friday 30th June 2023

We would like to invite you to come and support your child's participation in a range of competitive events against other children in their year group.

KS1

9:30am to 10.30am

KS2

10:45am to 12:00pm

Each session will end with a series of sprints on the track, for which some of the children will have qualified. The rest of the children will spectate for these final sprints.

Your child will need their P.E. kit on this day, including a t-shirt in the colour of their assigned house for the morning. We will let you know the colour needed nearer the time.

Hats, water bottles and sunscreen will also be needed. (Hopefully!)

(please note the change of date from last newsletter—Sports Day will be Friday 30th June)

WATER

Please may we remind you that our school policy is that every child must bring a water bottle to school everyday and that they must contain only water. Squash is only permitted if there is a medical reason which we have been made aware of.

Thank you

CAREFUL PARKING AND DRIVING PLEASE

Please could we ask parents/carers to be mindful of where they are parking and observe the 20mph speed limit that applies to areas around schools.

We have received reports that local resident's driveways get blocked, the school bus is unable to pass safely and cars drive too fast, particularly when collecting children from after school activities.

May we also take this opportunity to remind you that the car park is not to be used for drop off and collections unless you have been specifically told you can do so.

Many thanks

RIDING BIKES AND SCOOTERS

ON SCHOOL GROUNDS

We are always pleased to see children coming to school on their bikes and scooters rather than by car. However we have noticed that there is an increasing number of children riding their bikes and scooters within the school grounds, sometimes weaving in and out between adults and children.

For safety reasons and to avoid a potential accident, please could parents remind their children (pupils and siblings) to alight from their bikes and scooters at the outer school gates and walk with their bike or scooter on school grounds.

Please could we also ask that no child's vehicles be brought onto the playground.
