NEWSLETTER 32

9th June 2023

Welcome Back!

We hope you all had a lovely half term break.

As we enter the 2nd half of the summer term, it is a good time to remind everyone of the school's policy regarding protecting children from the sun and the use of sun cream in school.

We ask that parents apply sunscreen to their child(ren) at home before coming to school and ensure that they have a named sun hat to wear at break and lunch times.

As the weather warms up, the children are more likely to remove their jumpers at school, so please do ensure they are named!

Please ensure your child brings a water bottle to school every day too.

Class News

Rabbits were very excited this week because on Tuesday we had a special delivery, Caterpillars! We are learning all about lifecycles in Science this half term. This week we learnt about the lifecycle of a Butterfly. We now have our own caterpillars in class to look after. We are excited to watch them go through each stage of their lifecycle and turn into butterflies before releasing them! The children have really enjoyed drawing pictures of what they can see and using the magnifying glasses to get a closer look!

THANK YOU

Little Plumstead

for raising a fantastic

£145.85

The money you have raised will be used to help change the lives of children and young people facing disadvantage in communities across the UK.
