Payments

As you know, we are in the process of academising and joining St Benet's Multi Academy Trust. This transfer will happen from 1st September 2023. Over the summer, many administration and financial procedures need to take place in order for this to happen, including closing the school's current bank account. Therefore, we need to ask that no payments are made to the school after 21st July (the last day of term). This includes payments via parentmail or child-care vouchers etc. Payments will be able to resume when term starts in September.

Please ensure that all outstanding commitments and monies owed are paid before 21st July.
